As you know this year is our 100th Anniversary so we decided to do something different for Thinking Day. Instead of thinking about Girl Guides in other Countries we have decided to remember Girl Scouts in the USA over the past 100 Years!

Each troop will be choosing a decade to represent. Please check our website to see which decades are still available. Email your choice to [SU112@girlscoutmendo.org](mailto:SU112@girlscoutmendo.org).

Each troop will have a table to display memorabilia, a display board, SWAPS & a food item from their chosen era. Also, we are requesting that you perform a song, game or skit with the entire group that will represent your era. Extra points if it's a Girl Scout song, game or skit!!
